

Unconditional Love

by Yanga

Christmas Concert

Solo 1: When it's cold outside
And the dark of the night
Steals the glow of the light

Solo 2: I can run inside
With your arms open wide
There is no need to hide

Solo 3: When I come undone
You put me together again

Solo 4: When I break your heart
You love me and call me friend

CHORUS: I look to you **when I can't find my way**
Only you **getting me through each day**
No matter **what I face** I'm covered **in your grace**
You keep giving me **unconditional love**
And you told me that I'm *more than enough*
And you showed me what it *means to be loved*
Because **(oooo)** I didn't see what my heart disbelieved
And now *I know* unconditional love
And now *I know* unconditional love

Post-Chorus: **Oh oh oh oh oh oh**
Oh oh oh o-oooh oh oh oh
Oh oh oh oh oh oh
Oh oh oh o-oh

Solo 5: When I'm lost in time
And my heart is a mess
In you I find my rest

Solo 6: Everytime I fall
You lift up my soul
You keep making me whole

Solo 7: When I come undone
You put me together again

Solo 8: When I break your heart
You love me and call me friend
