I Told The Storm

by Gregory O'Quin

Verse 1:
Even though your winds blow - I want you to know
You cause me no alarm - 'Cause I'm safe in His arms
Even though your rain falls - I can still make this call
"Let there be peace" - Now I can say
Go away - I command you to move today
Because of faith - I have a brand-new day
The sun will shine - and I will be okay
That's what I told the storm

Chorus:
I told the storm – to pass – Storm you can't last
Go – away
I command you to move today
Storm – When God speaks
Storm – You have to cease
That's what I told the storm

I told the storm (4x)

Vamp 1:
Winds stop blowing – Floods stop flowing
Lightening stops flashing – Breakers stop dashing
Darkness go away – Clouds move away
That's what I told the storm
Death can't shake me – Jobs can't make me
Bills can't break me – Disease can't take me
You can't drown me – My God surrounds me
That's what I told the storm
